

CHALK HILL SANGIOVESE 2007

Sangiovese is perfectly suited to the premium wine region of McLaren Vale producing wines with both intensity and elegance.

This Sangiovese has a delicate nose of floral and cherry aromas, with some earthy complexity.

The flavours of spice, strawberries and raspberries, which are supported by strong, tight tannins leading to a long, round, silky finish.

This beautiful and distinctive wine is truly versatile and can be comfortably matched with a variety of foods, including pastas with meat sauces or bruschetta and flame-grilled vegetables.

This wine has been minimally filtered and may develop a harmless sediment. Wines sealed with a screw cap will benefit from decanting.
